## OFFICE OF THE STUDENT REGENT

---

**MEMO NO. 2012-001**

-----

**DATE:** 3 January 2012

**TO:** All students, student councils, organizations and formations

**SUBJECT:** Student Regent midterm report

-----

We welcome the new year with courage and confidence as a united UP student body – in 2011 we called a successful the campus strike for greater state subsidy to education and social services, we claimed victories in competitions, we condoled with loss but forged on with purpose.

To ease all lingering trepidation, **may I invite you to a series of town-hall type meetings with student councils, organizations and individuals across the UP system** for the Student Regent midterm report. As intended we will discuss developments from the General Assembly of Student Councils and our campaigns, but it will be a pleasure to explore all issues you may have in mind.

I look forward to meeting you this January.
